Reports

There were no minutes from the April meeting to present since there was no quorum. The March meeting minutes had been previously approved.

The treasurer was absent so no treasurer's report was present. Mark Fowler indicated that he could assist with the report if needed. A treasurer's report must be approved at the June meeting.

Old Business

Soccer – It was proposed by the soccer organization that their end of season party be used as a trial for Movies in the Park. Research had been done regarding costs, logistics, and financing. After much debate, it was decided that the timing was just not right to coordinate the end of year soccer party with a trial Movies in the Park.

T-ball – Season is over.

Softball – Season is ongoing. Al Winters presented information regarding expenditures and status of the program.
